**Date:** Wednesday, February 23, 2022 2:16:29 PM

---

Dear Commission,

I am writing to respectfully request an extension on Docket #2121-341-T until March 31, 2022 in order to finish all requirements needed. I do apologize for not being able to get everything together but we have been extremely short staffed and multiple cases of Covid 19 related illnesses throughout the organization. My plan is to have my vehicle inspected within the next week barring any major obstacles. I believe all my fees have been paid and the only outstanding items are Vehicle inspections and employee requirements.

I greatly appreciate your consideration in this matter.

If you need any additional information, please do not hesitate to contact me.

Thank You!

*J. Michael Thigpen*
